

November 2025 Wychavon District Councillor Report to Parish Council

- The **Wychavon Annual Residents Survey** ends on 9th November. Please fill it in if you haven't yet got round to it and encourage parishioners. It takes 10 minutes and there are four £100 vouchers to win. www.wychavon.gov.uk/contact-us/you-said-we-did
- **Honeybourne Bereavement Café.** The Gate Inn, Honeybourne WR11 7QJ is hosting and anyone from the neighbouring villages is welcome. Just come along on the first Saturday of the month 9.30 to 11.30. This is supported by Wychavon district council.
- **Local watercourses:** The government has launched a consultation with the aim of strengthening the powers available for dealing with environmental offences in order to reduce water pollution. Our Avonvale River Action Group (ARAG) is a growing voluntary organisation looking for more volunteers to get involved including monitoring watercourses using a sampling kit. - **Wychavon** has finished helping to fund fourteen months of excavation work by the County Archaeology Service at Milestone Ground in Broadway. Whilst now Broadway is known as the picturesque gateway to the Cotswolds recent findings suggest our ancestors considered it an even more significant settlement. From early pre-history through to the Anglo-Saxon era the number of artefacts found will take a couple of years to analyse and study; meanwhile the land will be sold for a new housing and sports development.
